INVESTMENT MANAGEMENT

Investment Management Services - RDAFN provides Investment Management Services, defined as giving continuous advice to clients based on their individual needs through RDAFN's Investment Management Services. RDAFN will obtain financial information from prospective clients to determine the suitability of RDAFN's Investment Management Services for prospective clients and to determine the appropriate investment objectives that are specific for each client account that is established with RDAFN.

Sub-Advisor Services - In some instances, Investment Management Services Accounts may be managed by independent Sub-Advisors that have Sub-Advisory agreements with RDAFN. In such circumstances, the Sub-Advisor will have discretionary power and trading authority for the investment of the Account. RDAFN and IAR shall be responsible for making the suitability determination in what investment strategy will be implemented in the management of Client's Account by Sub-Advisor. Sub-Advisor will also provide administrative services which may include the calculating and processing for payment of advisory fees on behalf of RDAFN. Sub-Advisor may perform other administrative duties on behalf of RDAFN.

Discretionary Trading - If authorized by the Client, RDAFN, IAR or Sub-Advisor will buy, sell, exchange, convert, tender and otherwise trade on a discretionary basis mutual funds, variable annuities and life contracts, and the sub-accounts thereof, general securities including stocks, bonds, CMOs, REITs, ETFs, unit investment trusts and other securities, and if authorized independently, to purchase or write options to purchase or sell securities, consistent with investment analysis, interpretations and judgments designed to seek an investment return suitable to the investment objectives and goals of the Client, subject, however, to any limitations established by the Client and acknowledged by RDAFN.

FINANCIAL PLANNING

RDAFN provides Financial Planning Services to clients through its IARs. When providing Financial Planning Services, we will obtain financial information and documents from clients to determine the appropriate advice to be provided to them. The initial consultation with a client is free of charge. Financial planning process includes but is not limited to the following:

- Defining the scope of the engagement
- Gathering data and establishing goals
- Analyzing the client’s current financial situation
- Designing and presenting the financial plan
- Implementing the approved plan
- Monitoring the financial plan

If a financial planning client chooses to implement the advice of a RDAFN IAR, the client may do so through the IAR in their separate capacity as a RDAFN IAR, registered representative of United Planners and/or an independent insurance agent. When implementing transactions in these separate capacities, the IAR may earn fees or commissions. If fees or commissions are earned, the IAR may waive or reduce the financial planning or consultation fee by the amount of the fees or commissions received by the IAR.

THIRD PARTY MONEY MANAGERS

RDAFN has established relationships with other investment advisers that offer a variety of investment advisory programs and services that include separate account portfolio management programs, asset allocation programs, wrap fee programs, and financial planning services. These other investment advisers are registered investment advisers or exempt from registration as investment advisers. RDAFN's IARs may recommend these other investment advisers to clients based on clients' financial needs.

Clients should understand that referral fees paid by these other investment advisers to RDAFN and RDAFN IARs may differ from one investment adviser to another investment adviser. Such conflicts may affect the independent judgment of RDAFN's IARs in the selection of other investment advisers that they recommend to clients. Establishing and terminating accounts with other investment adviser's is dependent on the other investment advisers' termination policies and procedures. A complete description of these other investment adviser programs, services, termination provisions, and related fees and charges are described in these investment advisers' agreement and their Form ADV Part 2 Disclosure Brochures.

RDAFN's referrals to other investment adviser services are tailored to the individual needs of each client. RDAFN obtains financial information from prospective clients to determine the suitability of RDAFN's referrals to other investment adviser services. Each client may impose restrictions on the types of referrals provided by RDAFN. RDAFN's IARs will be continuously available to meet with clients who are referred to these other investment advisers and open investment advisory accounts or establish financial planning services with these other investment advisers.

RDAFN WRAP FEE PROGRAM

RDAFN currently sponsors the RDAFN Wrap Fee Program. RDAFN and RDAFN IARs also act as portfolio managers in the RDAFN Wrap Fee Program. For a more detailed description of the Wrap Fee Program please review the RDAFN Wrap Fee Program Brochure.

MODEL PORTFOLIO ADVISOR PROGRAM

RDAFN offers a Model Portfolio Advisor Program that is primarily designed for other registered investment advisors that have investment overlay programs or sub-advisor programs. The RDAFN Model Portfolio Advisor Program includes investment research, recommendations, model portfolio advice and other related investment research services. RDAFN will not exercise any investment trading discretion or act as a fiduciary over any client account in our Model Portfolio Advisor Program.

Model Portfolio Advisor Program Conflict Disclosures

RDAFN may receive sub-advisor fee compensation from other investment advisors that provide overlay or sub- advisor programs. RDAFN Investment Advisor Representatives may utilize RDAFN model portfolios in those overlay or sub-advisor programs. In those circumstances, the Investment Advisor Representative will receive a client advisory fee, and RDAFN may also receive a Model Portfolio Advisor fee. Clients will be provided with the proper fee disclosure in these dual compensation situations.

Custody - RDAFN has custody of client assets due only to our ability to deduct fees from client accounts. The Broker-Dealer/Custodian of client assets sends account statements directly to clients. Clients receive account statements from the Broker-Dealer/Custodian. Clients should carefully review those statements. Under no other circumstance does RDAFN have custody of client assets outside of our ability to deduct fees from client accounts.

Proxy Voting - RDAFN, IAR and Sub-Advisor are expressly precluded from taking any action on behalf of or rendering any advice to Client with respect to (a) the voting of proxies solicited by, or with respect to, the issuers of any securities held in a client account; or (b) legal proceedings involving securities or other investments presently or formerly held in a client account, or the issuers thereof, including bankruptcies. There is no termination fee; however, the account(s) may be subject to fees or charges related to transferring an Account.

Doing Business As - Our business model is based on a network of Investment Adviser Representatives (“IARs) with offices located in numerous states and cities. Although all IARs of RDAFN are registered with, and subject to oversight and supervision by RDAFN, they operate their businesses independently and some offices work under a separate business name or “DBA”. IARs associated with RDAFN may provide IAR services to clients under a DBA name that is owned and registered by the IAR or the group of IARs for which the DBA name represents. As such, marketing materials provided to clients and potential clients may include the DBA name and may include a logo associated with the DBA name. RDAFN continues to review and approve marketing materials related to the IAR or IA firm services offered and provided to clients. RDAFN supervises IARs in the performance of their IAR duties whether the services are performed under the IAR’s name, the DBA name, or the RDAFN name. If properly disclosed as an outside business activity of the IAR, RDAFN allows IARs to provide other products and services through their DBA so long as they are unrelated to RDAFN’s investment adviser business. These outside business activities are not associated with or supervised by RDAFN. Because all of our IARs operate their businesses independently from one another, they have significant flexibility in providing tailored individualized investment advice to clients. RDAFN’s home office in Coralville, Iowa, assists the IARs with marketing, back-office functions and compliance responsibilities. A list of all of the RDAFN approved DBA names can be found on our Schedule D, Section 1.B. Other Business Names of our Form ADV Part 1 which is available on the SEC’s Investment Advisor Public Disclosure website at www.adviserinfo.sec.gov.

Item 5 Fees and Compensation

INVESTMENT MANAGEMENT FEES

Investment Management Fees - RDAFN manages client accounts for a percentage of the assets under management. RDAFN charges an annualized Advisory Fee that ranges up to 2.5%, depending on the size and complexity of the client account or retirement plan.

The initial Advisory Fee shall be calculated from the date on which assets or cash were first deposited to the Account to the last day of the calendar quarter in which such deposits were made (or, at RDAFN's option, through the last business day of the next calendar quarter if the date the account is accepted by RDAFN falls within 30 days prior to the beginning of a calendar quarter). The Account Value for the purposes of calculating the initial Advisory Fee is the value on the last day of the calendar quarter. If additional assets are deposited to the Account(s) during a fee period, Client will be charged additional Advisory Fees based on the value of the additional assets, prorated for the number of days remaining in such fee period.

The Advisory Fee will normally be charged on a quarterly basis, payable in advance, and will be billed based on the value of the assets under management on the last day of the prior reporting period. Debit balances due to the use of margin will be ignored for the purposes of calculating fees. If an Account is opened by transferring assets from an existing RDAFN Account, then the Advisory Fee will not be assessed until the beginning of the quarter following execution of this Agreement. If an Account is closed by transferring assets to a new Account managed by RDAFN or Sub-Advisor, then the Advisory Fee for the quarter shall not be prorated to the date of transfer.

Clients may incur certain charges imposed by third parties other than RDAFN in connection with investments placed in an Investment Management account, including but not limited to:

- IRA and Qualified Retirement Plan Fees, and other custodial fees; and
- Mutual fund and variable annuity internal expenses, commissions, sales loads, 12(b)-1 fees, trail fees and surrender charges, portions of which may be received by RDAFN IAR in their capacities as registered representatives of United Planners Financial Services. The purchase of mutual fund shares in client's account can result in certain processing and mailing charges that are not incurred when shares are purchased directly from the mutual fund company.

Broker-Dealer and Custodian fees, expenses, and commission charges are separate and distinct from the fee charged by RDAFN.

ADVISORY SERVICE FOR EMPLOYER SPONSORED RETIREMENT PLAN FEES

RDAFN charges annualized fees of up to 1%, depending on the services provided, and size and complexity of the retirement plan. The fees are paid quarterly, at the beginning of each quarter.

The initial Advisory Fee shall be calculated from the date on which assets or cash were first reported to the last day of the calendar quarter in which such deposits were made (or, at RDAFN's option, through the last business day of the next calendar quarter if the date the account is accepted by RDAFN falls within 30 days prior to the beginning of a calendar quarter). The Account Value for the purposes of calculating the initial Advisory Fee is the value on the last day of the calendar quarter. If additional assets are deposited to the Account(s) during a fee period, Client will be charged additional Advisory Fees based on the value of the additional assets, prorated for the number of days remaining in such fee period.

The Advisory Fee will normally be charged on a quarterly basis, payable in advance, and will be billed based on the value of the assets under management on the last day of the prior reporting period. Debit balances due to the use of margin will be ignored for the purposes of calculating fees. If an Account is opened by transferring assets from an existing RDAFN Account, then the Advisory Fee will not be assessed until the beginning of the quarter following execution of this Agreement. If an Account is closed by transferring assets to a new Account managed by RDAFN or Sub-Advisor, then the Advisory Fee for the quarter shall not be prorated to the date of transfer.

FINANCIAL PLANNING

Our minimum charge for a financial plan is \$500 with an anticipated three hours of work. A detailed analysis of a business involving multiple partners, outside consultants, or complex planning strategies will be billed at the hourly rate of \$150 - \$250. These fees are not contingent on and are not affected by assets placed in fee-

based accounts. At no time will RDAFN require any prepayment of greater than \$500 for a financial plan and the advisor will offer an estimate of hours required to fulfill the planning project. Fees will be determined by the IAR based upon the complexity of the client's financial situation and the services being provided to the client. Financial Consulting Services agreements are terminated upon completion of services being provided to the client by RDAFN's IAR. We do not offer planning services for flat rates but will bill on an hourly basis with a four-hour minimum. If a financial plan is created and no fee is charged by the IAR then the IAR will receive commissions through investment or insurance products sold in their capacity as a registered representative or insurance agent.

In addition, if the client contracts with RDAFN for additional services, the IAR may waive and/or reduce the financial planning or consultation fees as a result of the fees from the additional services. Any fee adjustment is at the discretion of the IAR based upon the complexity of the client's financial situation and the services being provided, and will be disclosed to the client prior to the transaction being implemented. Clients are not obligated in any manner to implement the advice of the RDAFN through the RDAFN or IAR in their separate capacities as a registered representatives and/or independent insurance agents.

THIRD PARTY MONEY MANAGERS

Clients should understand that referral fees paid by these other investment advisers to RDAFN and RDAFN IARs may differ from one investment adviser to another investment adviser. Such conflicts may affect the independent judgment of RDAFN's IARs in the selection of other investment advisers that they recommend to clients. Establishing and terminating accounts with other investment adviser's is dependent on the other investment advisers' termination policies and procedures. A complete description of these other investment adviser programs and services, and related fees and charges are described in these investment advisers' agreement and disclosure forms. Fee for these referral advisor programs may range up to 2.75%. These Fees may be more than the cost of purchasing the same services separately or similar services elsewhere. For further details on these other investment advisers' fee schedules please review their Form ADV Part 2 Disclosure Brochures.

MODEL PORTFOLIO ADVISOR PROGRAM

RDAFN will receive compensation from other investment advisors. Compensation will be based on an annualized fee that is paid either monthly or quarterly by the overlay manager. This fee will be based on the total assets that are in the model portfolio provided by RDAFN to the overlay manager. The maximum annual fee may be up to 60 basis points (0.60%). Clients will be provided with the proper fee disclosure.

RDAFN may receive sub-advisor fee compensation from other investment advisors that provide overlay or sub- advisor programs. RDAFN Investment Advisor Representatives may utilize RDAFN model portfolios in those overlay or sub-advisor programs. In those circumstances, the Investment Advisor Representative will

receive a client advisory fee, and RDAFN may also receive a Model Portfolio Advisor fee. Clients will be provided with the proper fee disclosure in these dual compensation situations.

MARKETING SOFT DOLLARS

RDAFN Advisers may receive a portion of fees paid to sub-advisers to be used for marketing purposes. This may create a conflict of interest in where an IAR may encourage the use of one of these participating strategists over other approved sub-advisers. RDAFN discontinued their soft dollar programs with CMG (Capital Management Group) and FIRM (Financial Investment Research Management) in 2016. Currently, RDAFN does not have any existing relationships to disclose.

BROKER-DEALER AND INSURANCE COMPENSATION

RDAFN's IAR's may also be licensed as broker-dealer registered representatives with United Planners Financial Services and/or insurance agents. In those capacities, they may sell securities for sales commissions as registered representative and sell insurance products for sales commissions as independent insurance agents. Some advice offered by the IARs may involve investments in mutual funds and variable annuity products which pay 12b-1 trail fees. IARs may receive a portion of these 12b-1 trail fees in their separate capacity as registered representatives. Clients should be aware that the payment and receipt of these commissions and fees could represent an incentive for the Advisers to recommend mutual funds or variable annuities that pay 12b-1 trail fees or pay higher 12b-1 trail fees over funds with no 12b-1 fees or lower fees, thus creating potential conflicts of interest to recommend investment and insurance products based on compensation rather than client needs. Clients always have the option of purchasing recommended investment and insurance products through other broker-dealers and insurance agents that are not affiliated with RDAFN or United Planners Financial Services.

RDAFN addresses these Compensation conflicts through the following **Compliance Oversight Policies**:

- **Conflicts of Interest** - RDAFN must disclose any potential or actual conflicts of interest when dealing with clients.
- **RDAFN Obligations** - RDAFN and its IARs are subject to the following specific obligations when dealing with clients:
 - The duty to have a reasonable, independent basis for its investment advice

John Arthur, the President of RDAFN is also a Broker-Dealer OSJ Manager/Supervisor for is United Planners Financial Services. He is responsible for supervising RDAFN advisory accounts, planning activities and referrals to other investment advisers. John Arthur delegates certain supervision responsibilities to

Michael Anne Brannen, David Darner and other designees that report to him. The main reports and documents they review in supervising these activities are the Client Investment Profile Questionnaire, new account documents, trade tickets, confirmations, brokerage statements, performance reports, daily activity reports and planning documents. They also conduct branch office supervision/compliance audits of RDAFN's IARs. Chris Arthur, the Chief Compliance Officer (CCO) of RDAFN is responsible for RDAFN's compliance with SEC and state investment adviser regulations, and RDAFN's Policy and Procedures Manual.

Each Adviser gives investment advice to his or her clients based on what is suitable for each client. Reviews are conducted for all accounts on a quarterly basis. Each investment adviser reviews his or her client accounts. They are instructed to review investment performance, suitability, appropriate asset allocation, and to monitor the account for any changes or updates that are needed (among other things). Clients establishing and maintaining Investment Management Program accounts may receive quarterly performance reports from RDAFN showing the investment performance of their accounts. - **RDA Proprietary Strategies** - Our Investment suite of strategies include, but are not limited to strategies focused on capital preservation to offensive model strategies. Their primary directive is to offer investors a portfolio designed to meet their investment objectives while staying within their risk parameters. We use quantitative and qualitative analysis to work toward this goal. Our trading strategies range from a complex algorithm program developed by RDAFN money managers to fundamental asset bottom up/top down investment strategies. The technical nature of the Algorithm is not deviated from and the actual algorithm has not to date been modified. Actual client asset trading results may be materially lower. Our models show the diversity of asset classes and are actively traded to manage risk. Everyone is unique and every portfolio is unique. Your portfolio will have its own distinct characteristics within the risk parameters established. After taking the risk tolerance questionnaire, the appropriate combination of equity and fixed income will be recommended that is the right approach for you.
- **General Investment Strategy Guidelines for RDAFN IARs that Manage Client Accounts outside of RDAFN's Proprietary Investment Suite of Strategy Programs** - RDAFN IARs conduct fundamental security analysis when managing client accounts. RDAFN IARs primary investment strategies are based on investing for the long term (over a year). However, short-term (under a year) strategies are also utilized to introduce additional asset classes to a portfolio or reduce exposure to a primary asset class due to current market conditions. IARs review managed accounts on a daily basis. In addition, the executive team monitors portfolios on a monthly basis and the registered principal approves all transactions on a daily basis.
- **Sub-Advisor Services** - In some instances, Investment Management Services Accounts may be managed by independent Sub-Advisors that have Sub-Advisory agreements with RDAFN. In such circumstances, the Sub-

Advisor will have discretionary power and trading authority for the investment of the account.

RDAFN, IAR or Sub-Advisor will buy, sell, exchange, convert, tender and otherwise trade on a discretionary or non- discretionary basis mutual funds, variable annuities and life contracts, and the sub-accounts thereof, general securities including stocks, bonds, CMOs, REITs, ETFs, unit investment trusts and other securities, and if authorized independently, to purchase or write options to purchase or sell securities, consistent with investment analysis, interpretations and judgments designed to seek an investment return suitable to the investment objectives and goals of the Client, subject, however, to any limitations established by the Client and acknowledged by RDAFN. Individual RDAFN investment strategies can and do involve the frequent trading of securities which can affect investment performance particularly through increased brokerage charges, other transaction costs and taxes.

Risk of Loss - There are risks inherent in all financial decisions and transactions. RDAFN and RDAFN IARs cannot guarantee the current or future performance of client accounts, or the success of any investment decision or strategy that RDAFN and RDAFN IARs may use with client accounts.

Item 9 Disciplinary Information

RDAFN prohibits IARs from collecting both a fee for investment advisory

management, and any 12b-1 trail fees associated with their clients investing in such products. Clients should be aware that the payment and receipt of 12b-1 trail fees do exist, and that other entities may collect such fees. RDAFN and IARs may in some instances receive other advantages from these entities in the form of soft dollars to help cover technology costs, thus creating a potential conflict of interest.

Commissions charged by United Planners may be higher or lower than those charged at other broker/dealers. United Planners registered representatives associated with RDAFN may have a conflict of interest in having clients purchase securities and/or insurance related products through United Planners in that the higher their production with United Planners the greater potential for obtaining a higher pay-out on commissions earned. Such conflicts may affect the independent judgment of RDAFN's IARs in the selection of other investment advisers that they recommend to clients. Establishing and terminating accounts with other investment adviser's is dependent on the other investment advisers' termination policies and procedures. A complete description of these other investment adviser programs and services, and related fees and charges are described in these investment advisers' agreement and disclosure forms. Fee for these referral advisor programs may range up to 2.75%. These fees may be more than the cost of purchasing the same services separately or similar services elsewhere. For further details on these other investment advisers' fee schedules please review their Form ADV Part 2 Disclosure Brochures.

Item 11 Code of Ethics, Participation or Interest in Client Transactions & Personal Trading

RDAFN has established a Code of Ethics to comply with the requirements of Section 204A-1 of the Investment Advisers Act of 1940 that reflects RDAFN's fiduciary obligations and those of its supervised persons, and requires compliance with federal securities laws. RDAFN's Code of Ethics covers all individuals that are classified as supervised persons. All RDAFN owners and IARs are classified as supervised persons. RDAFN requires its supervised persons to consistently act in the RDAFN clients' best interest in all advisory activities. RDAFN imposes certain requirements on supervised persons to ensure that they meet RDAFN's fiduciary responsibilities to RDAFN clients. This standard of conduct requirement is higher than what is ordinarily required and encountered in business.

- RDAFN and RDAFN's supervised persons may buy, sell and hold securities for their personal accounts, which RDAFN may also recommend to clients, or buy and sell on a discretionary basis for clients. As these situations, may present a potential conflict of interest, it is the policy of RDAFN that no supervised person shall prefer their own interest over the interest of RDAFN clients.
- No supervised person employed by RDAFN may buy or sell any security prior to a transaction being implemented for an advisory account.
- No supervised person employed by RDAFN may buy or sell securities for their personal accounts where their decision is derived from information obtained through their employment with RDAFN unless the information is also available to the investing public upon reasonable inquiry.
- RDAFN maintains a list of all securities holdings for all supervised persons, which is reviewed on a regular basis by a principal of the RDAFN.

Conflicts of Interest – RDAFN must disclose any potential or actual conflicts of interest when dealing with clients.

RDAFN Obligations – RDAFN and its IARs are subject to the following specific obligations when dealing with clients:

- The duty to have a reasonable, independent basis for its investment advice
- The duty to ensure that investment advice is suitable to meeting the client’s individual objectives, needs, and circumstances
- A duty to be loyal to clients.

This Code of Ethics response is only intended to provide clients and potential clients with a summary description of RDAFN’s Code of Ethics. If current clients or potential clients want to review RDAFN’s entire Code of Ethics they may obtain a copy of it by calling RDAFN at 888-300-4975 or writing to RDAFN, at RDA Financial Network, Inc. 2475 Coral Court, Suite A. Coralville, IA 52241

Item 12 Brokerage Practices

RDAFN CUSTODIAN/BROKER-DEALER RELATIONSHIPS

Custodian/Broker-Dealer Arrangements - If the Custodian/Broker-Dealer for an account is RDAFN directed, then RDAFN shall consider a number of factors including, without limitation, best execution, the overall direct net economic impact on account assets (including commissions which may not be the lowest available, but which will not be higher than the generally prevailing competitive range) the financial stability of the Custodian/Broker-Dealer, the efficiency with which the transaction is effected, the ability to effect the transactions where complicating factors are involved, the availability of the Custodian/Broker-Dealer to stand ready to execute possible difficult transactions in the future, and other matters involved in the receipt of brokerage and research services.

RDAFN has Custodian/Broker-Dealer arrangements with:

- TD Ameritrade, Inc.
- Charles Schwab
- TIAA-CREF
- SEI

(Collectively referred to as Qualified Custodian/Broker-Dealers)

RDAFN will recommend these Qualified Custodian/Broker-Dealers to clients for custody and brokerage services. These Qualified Custodian/Broker-Dealers’ advisory accounts custody and brokerage services are typically not available to retail investors. These benefits include the following products and services (provided without cost or at a discount):

- Duplicate client statements and confirmations
- Research related products and tools
- Consulting services
- Access to a trading desk serving advisor participants

- Access to block trading (which provides the ability to aggregate securities transactions for execution and then allocate the appropriate shares to client accounts)
- The ability to have advisory fees deducted directly from client accounts
- Access to an electronic communications network for client order entry and account information
- Access to mutual funds with no transaction fees and to certain institutional money managers
- Discounts on compliance, marketing, research, technology, and practice management products or services provided to RDAFN by third party vendors.

Some of the products and services made available by these Qualified Custodian/Broker-Dealers may benefit RDAFN but may not directly benefit client accounts. These products or services may assist RDAFN in managing and administering client accounts, including accounts not maintained at these Qualified Custodian/Broker-Dealers. Other services made available by these Qualified Custodian/Broker-Dealers are intended to help RDAFN manage and further develop its business enterprise. The benefits received by RDAFN do not depend on the amount of brokerage transactions directed to these Qualified Custodian/Broker-Dealers. Clients should be aware, however, that the receipt of economic benefits by RDAFN or its related persons in and of itself creates a potential conflict of interest and may indirectly influence RDAFN's choice or recommendation of these Qualified Custodian/Broker-Dealers for custody and brokerage services.

Trading – RDAFN allocates trades to clients in a fair and equitable manner that will be applied consistently to all clients. Personal accounts of RDAFN, its investment advisor representatives, Associates and family members will not be treated more favorably than any other client account. RDAFN will make every attempt to completely fill all block order trades. In the event where there is a partial fill of the trade the trade will be allocated as follows: Small (100 share) and odd lot positions filled in entirety then prorated across the remaining shareholders. All variable annuities managed within the Investment Management Program by RDAFN will have their variable annuity subaccount transactions processed through the Custodian of record for the variable annuity.

Trading Error Corrections - It is RDAFN's policy to ensure clients are made whole following a trade error. Specifically, when a trade error occurs in a client account that results in a loss, the responsible party will reimburse the client. The responsible party may include RDAFN, RDAFN IARs, United Planners or a Qualified Custodian/Broker-Dealer. If the trade error was made in a client account resulting in a gain, the client will keep the gain. If the trade error was made in a block trading account and client funds were not at risk and the trade results in a gain, RDAFN will keep the gain unless the Qualified Custodian/Broker-Dealer keeps the gain.

Client Direct Accounts - If the Custodian/Broker-Dealer for an account is client directed, the client will have the responsibility to negotiate the terms and arrangements with the Custodian/Broker-Dealer and RDAFN will not seek better execution services through other Custodian/Broker-Dealers.

Additional Information on RDAFN's Relationship with United Planners

Financial Services - If clients wish to have RDAFN's IARs implement the advice in their capacity as registered representatives, the IAR's broker/dealer, United Planners, will be used. IARs of RDAFN are registered representatives of United Planners and are required to use the services of United Planners and United Planners' s approved clearing broker-dealers when acting in their capacity as registered representatives. United Planners serves as the introducing broker-dealer. All accounts established through United Planners will be cleared and held at Pershing, LLC, a registered broker/dealer, member FINRA and SIPC.

United Planners has a wide range of approved securities products for which United Planners performs due diligence prior to selection. United Planners' s registered representatives are required to adhere to these products when implementing securities transactions through United Planners. Many of these services generally may be used to service all or a substantial number of RDAFN's accounts, including accounts not held through United Planners. Broker-Dealer and Custodian fees, expenses, and commission charges are separate and distinct from the fee charged by RDAFN.

THIRD PARTY MONEY MANAGERS

RDAFN may establish relationships with unaffiliated registered investment advisers that offer a variety of investment advisory programs and services that include asset management programs, separate account portfolio management programs, asset allocation programs, wrap fee programs, and financial planning services. If a client is referred to one of these unaffiliated registered investment advisers RDAFN and RDAFN IARs may receive referral fees from the unaffiliated registered investment adviser. RDAFN will at all times be in compliance with the rules and regulations under state law, and if it applies, the Investment Advisers Act of 1940, 17 CFR Section 275.206(4)-3 regarding these relationships.

RDAFN COMPENSATION FOR CLIENT REFERRALS

RDAFN enters into Referral Advisor Agreements with outside Referral Advisors who refer clients to RDAFN. If a referred client enters into an investment advisory agreement with RDAFN, a cash referral fee will be paid to the Referring Advisor, which will be based on a percentage of the advisory fees that are paid by the client to RDAFN. The Referral Advisor Agreement entered into between RDAFN and the Referral Advisor will at all times be in compliance with the rules and regulations under 17 CFR Section 275.206(4)-3 and corresponding state rules and regulations on investment adviser referral activities.

RDAFN also receives from TD Ameritrade certain additional economic benefits (“Additional Services”) that may or may not be offered to any other independent investment Advisors participating in the program. Specifically, the Additional Services include **[list vendor name(s) and describe the Additional Services and, if the value of the Additional Services is important to RDAFN or its affiliates, describe their value]** TD Ameritrade provides the Additional Services to RDAFN in its sole discretion and at its own expense, and RDAFN does not pay any fees to TD Ameritrade for the Additional Services. RDAFN and TD Ameritrade have entered into a separate agreement (“Additional Services Addendum”) to govern the terms of the provision of the Additional Services. RDAFN’s receipt of Additional Services raises potential conflicts of interest. TD Ameritrade has the right to terminate the Additional Services Addendum with RDAFN, in its sole discretion, provided certain conditions are met. Consequently, in order to continue to obtain the Additional Services from TD Ameritrade, RDAFN may have an incentive to recommend to its Clients that the assets under management by RDAFN be held in custody with TD Ameritrade and to place transactions for Client accounts with TD Ameritrade. RDAFN’s receipt of Additional Services does not diminish its duty to act in the best interests of its Clients, including seeking best execution of trades for Client accounts

These benefits include the following products and services (provided without cost or at a discount):

- Receipt of duplicate Client statements and confirmations

These products or services may assist RDAFN in managing and administering Client accounts, including accounts not maintained at TD Ameritrade. Other services made available by TD Ameritrade are intended to help RDAFN manage and further develop its business enterprise. The benefits received by RDAFN or its personnel through participation in the program do not depend on the amount of brokerage transactions directed to TD Ameritrade. As part of its fiduciary duties to clients, RDAFN endeavors at all times to put the interests of its clients first. Clients should be aware, however, that the receipt of economic benefits by RDAFN or its related persons in and of itself creates a potential conflict of interest and may indirectly influence the RDAFN's choice of TD Ameritrade for custody and brokerage services.

TD Ameritrade Additional Services - RDAFN also receives from TD Ameritrade certain additional economic benefits ("Additional Services") that may or may not be offered to any other independent investment Advisors participating in the program. Specifically, the Additional Services include receiving financial grants towards technology enhancements, in order to utilize NDEX, a portfolio management system, to more effectively and efficiently provide proper compliance with regards to SEC regulations; to provide performance reporting; and to provide enhanced trading capabilities. TD Ameritrade provides the Additional Services to RDAFN in its sole

TD Ameritrade has the right to terminate the Additional Services Addendum with RDAFN, in its sole discretion, provided certain conditions are met. Consequently, in order to continue to obtain the Additional Services from TD Ameritrade, RDAFN may have an incentive to recommend to its Clients that the assets under management by RDAFN be held in custody with TD Ameritrade and to place transactions for Client accounts with TD Ameritrade. RDAFN’s receipt of Additional Services does not diminish its duty to act in the best interests of its Clients, including seeking best execution of trades for Client accounts.

BROKER-DEALER AND INSURANCE COMPENSATION

RDAFN's IARs if properly licensed and registered, may sell securities for sales commissions as registered representative of United Planners Financial Services (United Planners) and sell insurance products for sales commissions as independent insurance agents. Some advice offered by the IARs may involve investments in mutual funds and variable annuity products which pay 12b-1 trail fees. IARs may receive a portion of these 12b-1 trail fees in their separate capacity as registered representatives. Clients should be aware that the payment and receipt of these commissions and fees could represent an incentive for the IARs to recommend mutual funds or variable annuities that pay 12b-1 trail fees or pay higher 12b-1 trail fees over funds with no 12b-1 fees or lower fees, thus creating a potential conflict of interest.

Item 15 Custody

RDAFN has custody of client assets due only to our ability to deduct fees from client accounts. The Broker- Dealer/Custodian of client assets sends account statements directly to clients. Clients receive account statements from the Broker/Dealer or Qualified Custodian. Clients should carefully review those statements. Under no other circumstance does RDAFN have custody of client assets outside of our ability to deduct fees from client accounts.

Item 16 Investment Discretion

If authorized by the Client, RDAFN, IAR or Sub-Advisor will buy, sell, exchange, convert, tender and otherwise trade on a discretionary basis mutual funds, variable annuities and life contracts, and the sub-accounts thereof, general securities including stocks, bonds, CMOs, REITs, ETFs, unit investment trusts and other securities, and if authorized independently, to purchase or write options to purchase

or sell securities, consistent with investment analysis, interpretations and judgments designed to seek an investment return suitable to the investment objectives and goals of the Client, subject, however, to any limitations established by the Client and acknowledged by RDAFN.

Item 17 Voting Client Securities

RDAFN, IAR and Sub-Advisor are expressly precluded from taking any action on behalf of or rendering any advice to Client with respect to (a) the voting of proxies solicited by, or with respect to, the issuers of any securities held in a client account; or (b) legal proceedings involving securities or other investments presently or formerly held in a client account, or the issuers thereof, including bankruptcies. RDAFN, IAR or Sub-Advisor will send to Client all such proxy and legal proceeding information and documents it receives for action as the Client deems appropriate.

Item 18 Financial Information

RDAFN has no financial information to report, since RDAFN does not maintain custody of client accounts or assets, and has no financial situations which may impair its ability to conduct business.
